Mattermost Registration and Login

Account Creation

Click here to create an account. You need to make an account here to be able to access the chat server.

Mobile App Setup

Getting Started with Mattermost on Mobile □□ - Watch Video

1. Download the Mattermost app from either the Apple App Store or Google Play Store.

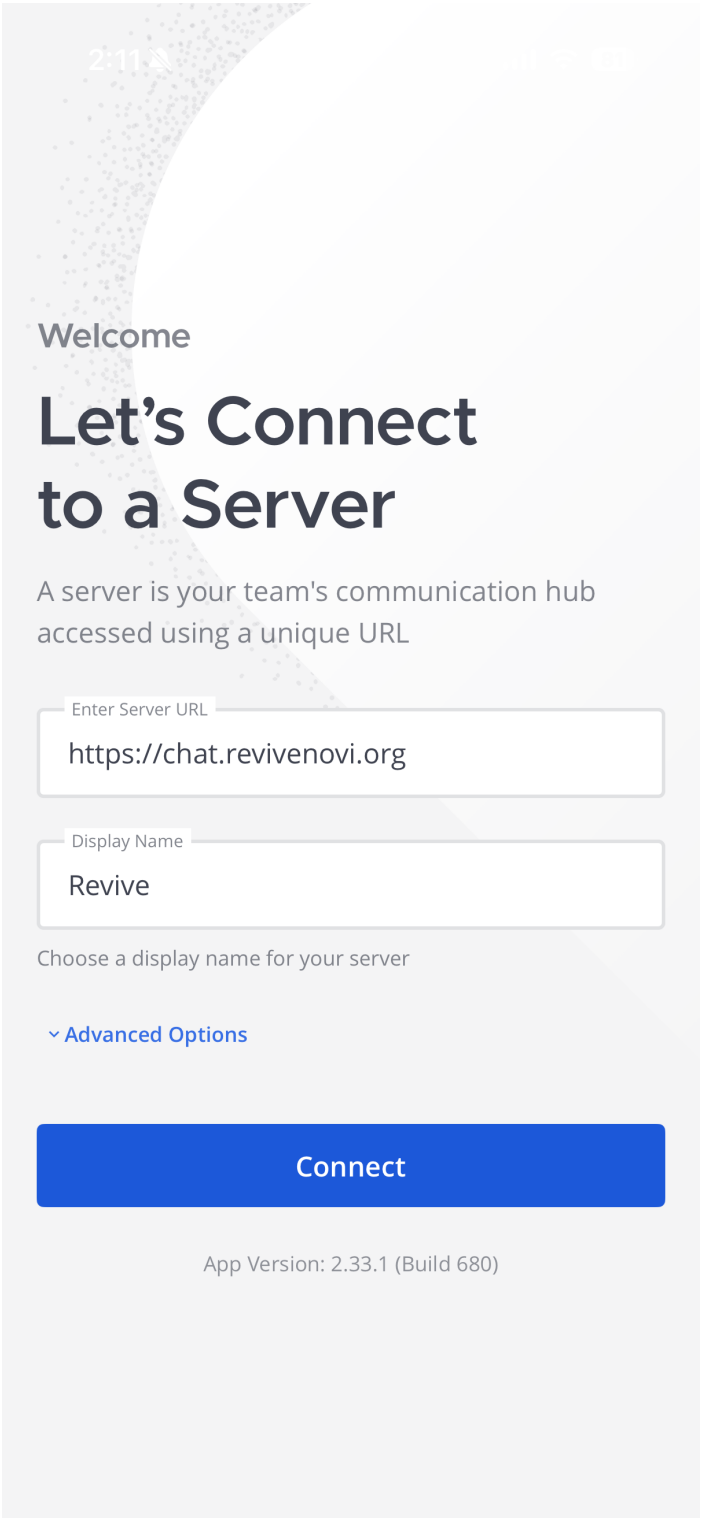

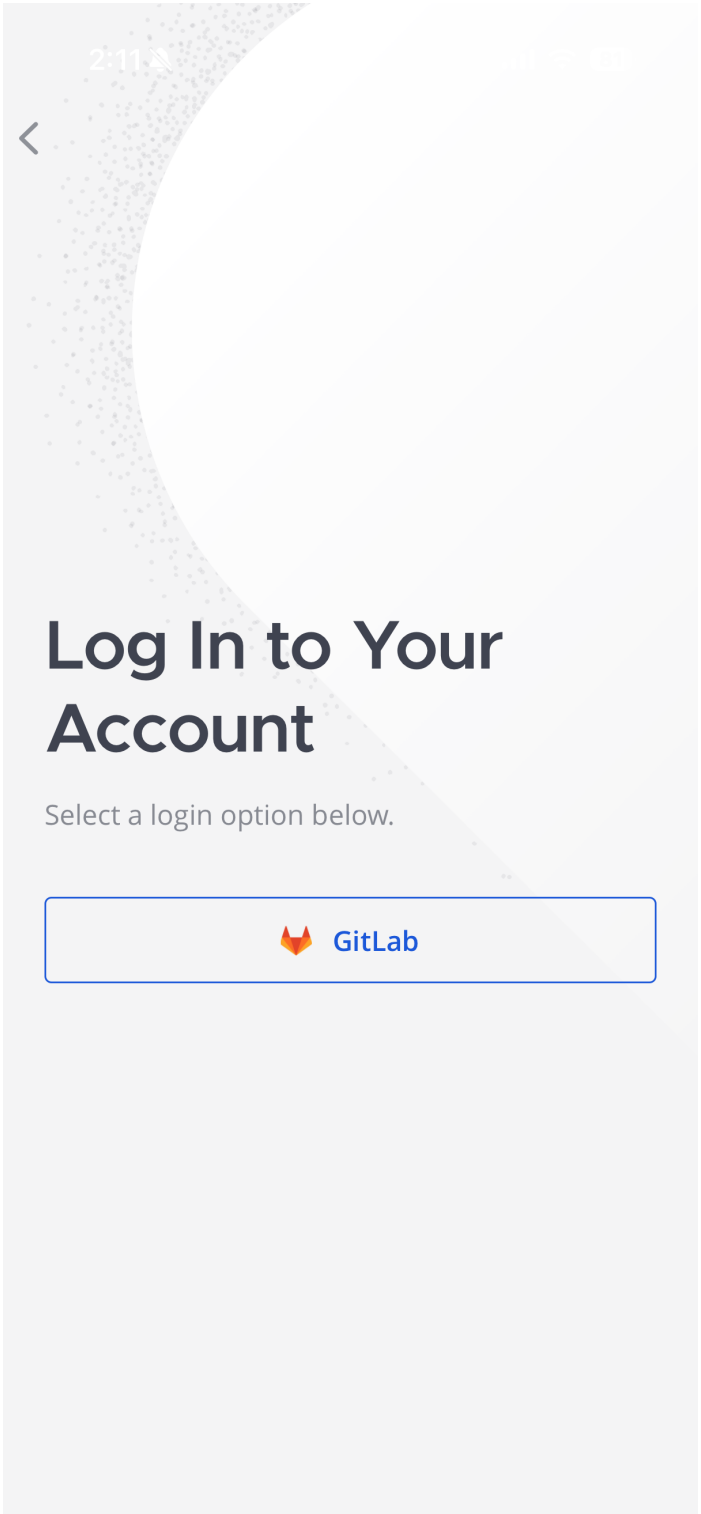

2. If you are prompted to connect to a server use the following information:

Server url: *https://chat.revivenovi.org*

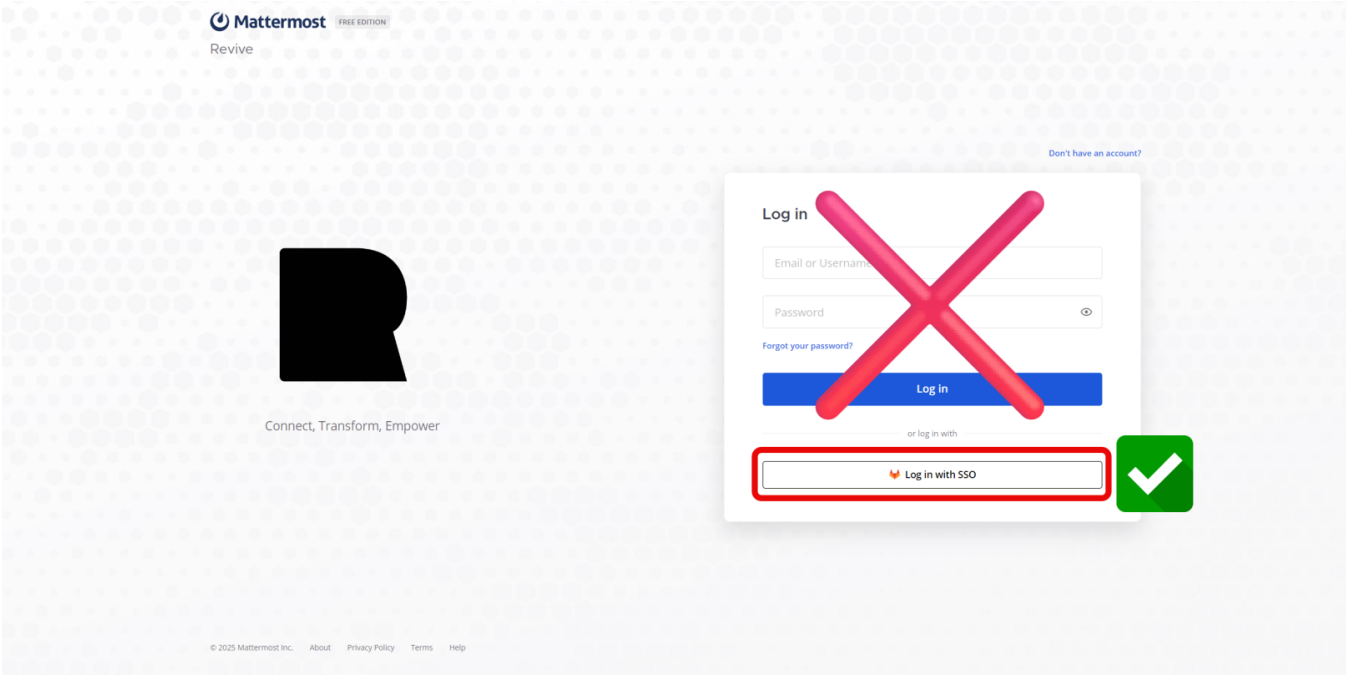

Display name: Revive

2:11
Welcome
Let's Connect to a Server
A server is your team's communication hub accessed using a unique URL
Enter Server URL
https://chat.revivenovi.org
Display Name
Revive
Choose a display name for your server
Advanced Options
Connect
App Version: 2.33.1 (Build 680)

Browser/Desktop Setup

1. Visit chat.revivenovi.org
2. Click on *Sign in with SSO or GitLab*

3. If you're not already logged into the authentication server, log in and you should be automatically logged into the chat server.
4. Always remember to log in using the SSO as that is the preferred way to log in to this service

Next Steps

Let's look into how to use the app!
